**POSTED OCTOBER 22, 2019, at about
1250 hrs.**

ATTENTION ALL MEMBERS !!

**Soon our web master will start work on a
new, revised and updated FPA Web site.
We have no date when the roll out will
occur, however, we will keep you posted.**

**THE MOST IMPORTANT ISSUES IN THE
MEANTIME isd for ALL MEMBERS to go
online, check their member profile and to
make sure it is CORRECT,**

**OTHER MEMBERS WHO DO NOT HAVE
THEIR MEMBER PROFILE ON THE WEB
SITE SHOULD GO ONLINE AND FILL IN
THEIR MEMBER PROFILE.**

If your profile, contact information and E-mail address is not on the site, then you will miss out on all announcements.

Please take care of this now so your profile will be on the new site when it becomes operational.

Thank you for your cooperation in this important, mutual issue.
