

FPA CONSTITUTIONAL BYLAWS

Certified Polygraphist (adopted 1986 – amended November 1991) – The “CP” designation for the purpose of recognizing those members who strive to improve their professional qualifications through training and education, and who set standards of practice and ethical conduct for all examiners. To qualify for the Certified Polygraphist designation, a member must meet the following standards:

1. Must be a FPA member or life member in good standing, with no outstanding financial obligations.
2. In all polygraph practices, must always use an accepted FPA/APA recognized technique.
3. Must be fully familiar with and abide by the FPA’s Standards and Principles of Practice.
4. Must have at least five (5) years experience as a Polygraphist.
5. Must have completed the FPA’s Randall Jones School of Consulting Studies six (6) seminars, totaling ninety-six (96) hours and have received a Certificate of Attendance issued by the School Director.
6. Members must make application for the designation. Requests from qualified members must be made in writing and notarized. Qualifications will be verified and designation awarded by the FPA Board.
7. (Amended June 21, 1998) – The CPA designation will be in effect as long as the member remains in good standing with the Association, and attends a minimum of 64 hours of FPA approved training, 16 hours of which may be from an approved state, national or government agency or association, within a five (5) year period (beginning the first of January after the member receives the “CP” designation). Members must provide documented evidence of attendance.
8. Once issued, a member’s qualifications may be suspended or revoked by the FPA Board for good and sufficient reasons. Upon notice of suspension/revocation, the member must promptly return the certificate to the School Director.
